go naked! ☹️
- choose any burrito (except mini v) for the same price on a plate (w/ 2 corn tortillas) !!

!! burritos can be made vegan - substituting sour cream or cheese for cashew crema

beans are a natural product - so sometimes there is a possibility that you will find a stone in your burrito - although we do our best, and screen for them thoroughly, it can happen that one slips through the net - we are not liable in the case of personal injury !! due to varying cooking times of dishes, food will come out as it is ready !! for any special dietary requirements - please ask us !! all prices are in euro cents and are inclusive of tax
